

Dear Friends of Little Sparks Project,

It is with great excitement that we invite you to the annual Little Sparks Gala, which will take place **on Thursday, November 12, 2026, at the Fairmont Copley Plaza in Boston, Massachusetts.**

Professionals, friends, and family from the Greater Boston Area will gather to network, celebrate, and enjoy an evening filled with Little Sparks mission moments, premium cocktails, an elegant plated dinner, live entertainment, a silent auction, and various giving opportunities.

As this is our cornerstone annual fundraising event, Little Sparks Project seeks your support to continue alleviating the financial burden on families seeking specialized medical care for their children. With help from partners like you, we hope to provide financial assistance to at least 50 families raising children with complex or difficult diagnoses in 2026.

Please consider the opportunity to sponsor this special event. As a sponsor, your organization will benefit from curated brand awareness opportunities and a unique networking opportunity in a venue that offers the best of historic downtown Boston.

We hope you will join us on our mission as we strive to ensure that every child with a rare and complex diagnosis reaches their full potential. Together, we can be a beacon of support, proving that even the littlest spark can ignite profound change in the world for those in need.

Sincerely,

Little Sparks Project Board of Directors
